Treatment: Waterproof
Grammage: GR/M² 240 ± 5%
Martindale: >100,000
Pilling resistance: 5
Color fastness to light: >4

MATERIAL CARE

A durable and reliable fabric designed for everyday living. Water-repellent and resistant to wear, scratching, and color fading, it is designed to maintain its quality and appearance over time.

For routine maintenance, gently clean the surface with water and a soft, damp cloth. For stains or more intensive cleaning, professional dry cleaning is recommended, following the fabric care instructions.

A high-performance fabric that combines durability, comfort, softness, and easy maintenance.

Explore all 12 LA29 colors in an exclusive aluminium foil case — a curated journey to help you find the perfect color before placing your LA29 order.
